

Hamilton Emergency Shelter Team Volunteers Needed

The Hamilton Board of Health in collaboration with the Fire Chief (the Emergency Management Director) has been developing plans to provide emergency shelter in Hamilton should the need arise. Part of these plans includes recruiting a group of volunteers from the community to help in opening and running an emergency shelter.

A small group of volunteers have met in the past year to learn about how we will operate Hamilton's emergency shelter. We are in need of more volunteers to be part of this team in order to be successful with this important effort.

If you would like to participate, please join us at our next meeting Tuesday, May 17th at 5:30 p.m. at the Senior Center, 299 Bay Road. The group usually meets every other month.

For more information or if you would like to participate in this effort please contact us by phone at 978-468-5579 or email Chris Lee clee@hamiltonma.gov or Nancy Stevens nstevens@hamiltonma.gov.
